## ***Mobile Phone (and related devices) – Student Use Policy***

### **PURPOSE**

To explain to our school community the Department's and St Andrews Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

### **SCOPE**

This policy applies to:

1. All students at St Andrews Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

### **DEFINITIONS**

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. ***For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.***

### **POLICY**

St Andrews PS understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At St Andrews PS:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### **Personal mobile phone use**

In accordance with the Department's [Mobile Phones – Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at St Andrews PS during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

## Secure storage

Mobile phones owned by students at St Andrews PS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that St Andrews PS does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, St Andrews PS will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At St Andrews PS students are required to store their phones in the school office – they must be handed into the school administration office to be placed in lockable storage.

## Enforcement

Students who use their personal mobile phones inappropriately at St Andrews PS may be issued with consequences consistent with our school's existing student engagement policies.

At Example School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:
